

Welcome to the ODP Business Solutions Discount Program

BuyingPower[™] About Us

We are a leading group purchasing organization (GPO) that delivers National Account level discounts and service levels to companies nationwide. Membership is free and there is no contract or obligation to purchase.

Our Mission

Buying Power has a mission to help you maintain a competitive advantage in the market so your business can do more than just survive – it can thrive. We have successfully anticipated customers' needs since 1999, providing value-added purchases with zero commitment costs.

Who is Eligible?

Our goal is to provide discounts to businesses of all sizes across all industries that are typically reserved for large companies and national or international chains. We save money for you as a member organization by negotiating discounted pricing with national suppliers. Discounts offered are based on the overall spend of our entire buying group.
