## **Solution Overview**

Outstanding solutions and services that work as hard as you do. Whether you're looking for furniture and space planning, tech and print services, or options to help you meet your sustainability and diversity objectives, ODP Business Solutions™ is here to support the success of your business.

## **Facilities**

As one of North America's largest distributors of cleaning and breakroom supplies, we have the resources and network you can rely on to help your facilities shine.

## **Office supplies**

Tap into our wide range of supplies to help you maintain productivity. Choose from writing instruments, filing, ink and toner, planning and organization tools, and much more.

## **Technology**

We offer over 400,000 technology products from top brands, and can collaborate with you for digital signage, managed print solutions, and digital protection services that work for your organization.

## **Print, Promo & Apparel**

Let us help you manage your brand and build awareness through promotions, apparel, and printing on demand. We also offer inventory management, kitting, and fulfillment.

## **Furniture**

From initial consultation and concept, to designing, fulfilling, and executing strategies and solutions to fit the unique objectives of your business, we're here to support you every step of the way.

## **Work from anywhere**

Whether it's technology to help your staff stay more connected or ergonomic furniture to help them work more comfortably, we offer a wide range of solutions to help boost productivity wherever business gets done.

## **Sustainability**

Whether you're looking for paper with recycled content, remanufactured ink and toner, greener cleaning supplies, or greener supplies and equipment, ODP Business Solutions has you covered.

## **Diversity**

Help earn diversity credit by purchasing from the suppliers in our Supplier Diversity Product Catalog, with a percentage of total spend allocated to diverse vendor products.

## **Customized delivery**

Looking to get what you want, right when you want it? Leverage our world-class supply chain with national coverage for next-business day delivery — plus a host of desktop, pallet and smaller delivery options.
